

SABARI PRASATH R

Madurai, Tamil Nadu | sabariprasathraja@gmail.com | 9597797388

PROFESSIONAL SUMMARY

Results-driven Frontend Developer fresher with a BCA degree and hands-on experience building responsive, full-stack web applications. Proficient in HTML5, CSS3, JavaScript, and Bootstrap, with practical experience integrating RESTful APIs. Passionate about crafting intuitive user interfaces, writing clean and maintainable code, and delivering seamless user experiences. Eager to contribute to a collaborative development team and grow as a professional.

TECHNICAL SKILLS

Languages: HTML5, CSS3, JavaScript,

Frameworks & Libraries(FrontEnd): Bootstrap, TailwindCSS ,React

Tools & Concepts: Git, REST APIs, Responsive Design, , VS Code

PROJECTS

Student Material Website

Developed a responsive full-stack Student Material Website that allows students to browse, search, and download academic resources such as lecture notes, e-books, and assignments. Built the frontend using HTML, CSS, JavaScript, and Bootstrap, while implementing backend APIs with Spring Boot and MySQL for authentication, file management, and search functionality. Integrated efficient database management and file storage features to provide a smooth and user-friendly learning experience.

Learning Management System

Developed a full-stack Learning Management System (LMS) using the MERN stack for online course management and learning.

Implemented secure user authentication and authorization using JSON Web Token (JWT) for tutors and students. Built features for tutors to upload course videos and generate unique enrollment codes for student access.

Designed a responsive student learning portal where enrolled users can securely access and watch course content.

Mini project

Student management system

Built a modern Student Management System using React + Vite with a sleek and responsive UI Integrated smooth navigation, reusable components, and scalable routing architecture using React Router. Focused on performance, clean design, and better user experience for educational platforms. Excited to keep building impactful web applications and leveling up every day

EDUCATION

Bachelor of Computer Applications (BCA)

2022 – 2025

Mannar Thirumalai Nicker College, Madurai | 6.2%cgpa

CERTIFICATION
